

Following the instructions to obtaining your Client ID & Client Secret. Please kindly be informed the Spotify widgets are required a Spotify Premium account.

Step1.

Go <https://developer.spotify.com/dashboard/> and login your premium account. Click “Create an APP”

Step 2.

Enter the App name & App description (free to customize) 、 put https://www.avermedia.com/oauth/auth_v2.0.php into Redirect URIs and agree to the terms and click “Save”

A screenshot of the 'Create app' form on the Spotify Developer Dashboard. The breadcrumb 'Dashboard > Create app' is at the top. The form title is 'Create app'. There are five input fields, each highlighted with a red box: 'App name' (containing 'AVerMedia Creator Central'), 'App description' (containing 'AVerMedia Creator Central'), 'Website' (empty), 'Redirect URI' (containing 'https://www.avermedia.com/oauth/auth_v2.0.php'), and a checkbox for 'I understand and agree with Spotify's Developer Terms of Service and Design Guidelines'. At the bottom, there are 'Save' and 'Cancel' buttons.

Step 3.

You will be redirect to the APP overview, click “Settings”

Dashboard > AVerMedia Creator Central Home

A Home

FAQ. About rate limits

The Spotify API has rate limits to keep their API reliable, once your Client ID reaches the limit, you will be timeout and unable to access Spotify widgets for a period. Please try again in a few hours or prepare a backup Client ID & Client Secret to switch, till it back to live.
